## Editorial

Dear Colleagues and Readers

I am so glad to present Volume 3, Issue 4 of the *International Journal of Humanities and Cultural Studies* (IJHCS). The IJHCS has moved to its more advanced and technically rich website through the use of the popular Open Journal System. This, of course, reflects the depth of the work being done in our journal.

The journal keeps faith in a multidisciplinary perspective. Articles published in this issue, reflect different theoretical and applied concerns in humanities, cultural studies, management, linguistic studies among other disciplines. This new issue includes works of the research scholars from different countries which reflected the international nature and scope of the journal.

As usual, I sincerely thank our respected authors for selecting the IJHCS, our reviewers for reviewing the selected articles for this issue and the Administrative Board for its contribution to helping the IJHCS achieve this success. The next issue will be published in June 2017 and your valuable contributions are welcome till 20 May 2017.

With Best Regards,

**Dr. Hassen Zriba**  
**Editor-in-Chief**
